Our London team

Lichfields is one of the biggest and best-resourced planning and development teams with an unrivalled track record and connections across London and the home counties.

Our insight and experience – with teams covering heritage, townscape and visual impact, neighbourly matters, socio-economics and environmental impact – helps us rise to the challenge of planning in London and deliver the cutting-edge advice our clients need and expect.

We are a centre of excellence, attracting the brightest talent and offering the full suite of specialist skills to secure success for our clients throughout the Capital and beyond.
